

# THE MANNER HOUSE

## 禮苑

At The Manner House, dining is never just about food—it's about the art of slowing down, the joy of discovery, and the pleasure of savoring each moment.

Our multi-course tasting menu is an invitation to let go of decision-making and embrace pure indulgence. Each course is a carefully composed chapter, guiding you through a seamless journey from the bold heat of Szechuan spices to the refined elegance of Peking traditions, and onward to inspired creations that transcend geography.

Every ingredient is chosen with intention, every flavor balanced with precision, and every plate presented as a work of art. Our chefs bring together classic techniques and innovative vision to create dishes that speak to both the heart and the senses.

Dining at The Manner House is more than a meal—it is an experience to be shared, remembered, and treasured. Whether it is an intimate celebration, a gift for a loved one, or a rare moment of self-indulgence, our tasting menu offers a timeless escape into the world of fine cuisine.

A rare gem in Northern Ireland, The Manner House is known to those who seek the exceptional—respected by connoisseurs, yet delightfully removed from the ordinary. Here, we celebrate subtlety over spectacle, intimacy over noise, and authenticity over trend.

The Manner House  
— Held in high esteem. Quietly extraordinary. Unforgettable.

— David
